

Quality, Safety & Environmental Commitment Statement

SRO Technology Pty Ltd is committed to delivering high-quality products, services, and technical solutions that meet or exceed the expectations of our customers, stakeholders, and regulatory bodies. Our approach is guided by the principles and requirements of:

ISO 9001:2026 Quality Management System
ISO 14001:2026 Environmental Management System
ISO 45001:2018 Occupational Health & Safety Management System

We strive for excellence through:

Quality

We maintain a robust and continually improving Quality Management System that ensures consistency, reliability, and performance across all our operations. We focus on customer satisfaction, risk-based thinking, and process efficiency to deliver solutions that are fit for purpose and aligned with industry best practice.

Health & Safety

We are dedicated to providing a safe and healthy workplace for all employees, contractors, and visitors. Through our Occupational Health & Safety Management System, we proactively identify hazards, manage risks, and foster a culture where safety is everyone's responsibility.

Environmental Responsibility

SRO Technology recognises its responsibility to minimise environmental impact. We actively manage our environmental footprint by reducing waste, preventing pollution, and using resources efficiently. Our Environmental Management System supports sustainable practices and compliance with all relevant environmental legislation.

Continuous Improvement

We are committed to ongoing improvement across all aspects of our business. Through regular monitoring, measurement, internal audits, and management reviews, we ensure our systems remain effective, compliant, and aligned with our strategic objectives.

Leadership & Engagement

Our leadership team promotes a culture of integrity, accountability, and collaboration. We empower our people through training, communication, and engagement to contribute to the success of our integrated management system.

SRO Technology Pty Ltd will continue to uphold these commitments to ensure the long-term success of our organisation, the satisfaction of our customers, the wellbeing of our people, and the protection of the environment.
